Kayleene is a very hard working student. She works hard for herself, and she's always helping those around her. She faces all her challenges, and accomplishes them all. Kayleene is very kind, polite, and always has a smile on her face. She is a great student of the month.

Freshman - Michael Hernandez

Nominated by Ms. Hayes

Michael is one of the most dedicated and conscientious students I've seen in a long time! He takes his academics seriously and shows up for Homework Club every Tuesday and Thursday without fail, even if no one else shows up. In addition, Michael is always polite and thoughtful and is very deserving of the title Student of the Month!

Sophomore - Jada Clarke

Nominated by Ms. Arroyo

Jada is a very hard-worker, and always goes above and beyond. In class she helps tutor her classmates, she's a leader in Spanish Club, and always gives her best. She's very polite to her classmates and to me.

Sophomore - Tyler Lindahl

Nominated by Ms. Lombardo

Tyler is a student who has grown so much over this past year. He is a hard-worker, completes assignments and is becoming more and more proud of his grades and rightfully so! He is becoming more and more accountable and I am very proud of him. Tyler is a polite and kind student who is respectful to staff and has no shame in sharing his wonderful sense of humor with them. His accomplishments in Guerin's wrestling program should not go unnoticed either. Even though I do not have Tyler in class this year, I am very grateful to see him develop into such a motivated student and athlete.

Junior - Angela Piazza

Nominated by Ms. Giacotto

I would like to nominate Angela Piazza for leading the Animal Activist's Club with finesse! She has incredible initiative and has put loads of time into the success of this group. The Club was created by her, she took time to share educational and volunteer opportunities for the members and launched a fundraiser and blanket making workshop to benefit local shelters. She has great leadership qualities and is a beautiful example of student initiative for Guerin Prep Clubs.

Junior - Octavious Thomas

Nominated by Ms. Grant

I would like to nominate Octavious Thomas. He brings a great energy to choir in addition to being a very good singer. His sense of humor keeps us laughing and he has made a strong effort to make this semester's new members feel comfortable and welcome.

Senior - Alexis Krueger

Nominated by Ms. Lombardo

As I have just gotten to know Alexis this year, I discovered pretty quickly how hard-working and motivated she is. She is an active participant in the classroom, contributes insightful information into any discussion in the AP Government class and strives to understand difficult topics and concepts. She is relentless in her passion to do well in my class. Clearly, with her participation and leadership on the dance team, academics are not the only important focus of Alexis. She is a well-rounded student and a natural-born leader and will do amazing things in the years to come.

Senior - Liam Carroll

Nominated by Mr. Springbrunn

Liam has been a member of the String Ensemble for four years. He is a strong violinist and is always willing to do whatever is necessary to help the group. He is dependable and his service to the group is indispensable. He is always friendly and even laughs at my bad jokes.
