

Giana Fidanzia

Ms. Grant

Giana is an active choir member who makes very positive contributions to the ensemble. She is a leader and always does her best. Her positive attitude, focus, and willingness to try are invaluable.

Isaac Aceves

Ms. Arroyo

Isaac is a very sweet and kind student. He works very hard in class and is always willing to help others. He never complains and always motivates the class to try harder. He's always smiling and has a lot to contribute to the class. He is a great asset to my class.

Meddy Wang

Mr. Osgood

I have been so impressed with Meddy's overall development. She continues to set the bar high for herself and to do outstanding work in class, but this year she is also taking on a leadership role over an ELL student blog we started. I don't worry much about how it's going, because I know she has it under control. Additionally, she has shown herself to be a kind and compassionate friend to those around her.

Justin Lozada

Ms. Susin

Justin is in my Health class and 9th period PE class. He is friendly, cooperative and willing to help in any way he can. His best attribute is his friendship and daily program of getting along with Tyler. He brings a smile to my face and I respect his demeanor.

Analissa Hernandez

Ms. Hayes

Analissa transferred in this year and immediately made herself part of the Guerin community. She joined cheer, and got into the spirit of homecoming week and it feels like she's been part of the Guerin family from the start! In addition to getting involved, Analissa works hard, is conscientious of her grades and not afraid to advocate for herself and ask for help. To top it all off, she is so polite and kind and a joy to have in the classroom!

Steve Wang

Ms. Montanez

Steve is awesome. Everytime I ask for help with a new student or a tour of the school he is there to help me. He also was in the recruiting video I brought to China. He is always so kind and patient!

Nicole Lesniak

Ms. Giacotto

Nicole's free time last month was cutting out New York Skyline displays for homecoming. Everything she does goes above her ordinary contributions to Guerin Prep and is done with a smile. She is an amazing example of Guerin Pride with an incredible work ethic.

Keaton West

Ms. Susin

Keaton has been a great help to me and Mr. Carlson. His energy and willingness to work hard during our athletic contests have made him our most valuable worker. He has a great attitude and loves to help fellow students and our parents during football games.
