

Freshman Girl Katherine Zhang**Nominated by Mr. Osgood**

Katherine has done an excellent job in the second semester. She has improved her grade 5 percentage points, which is tremendous. She has been putting maximum effort into her classwork and has been working so fast that I almost can't keep up. She is a great example to her peers that diligence and hard work pay off in the language learning process.

Freshman Boy Tyler Lindahl**Nominated by Ms. Gauthier**

Tyler has transformed his work habits during his second semester to make for a highly successful academic outcome. Not only have his grades shown tremendous improvement but he has over 35 service hours already! He models for other students what getting involved is all about. Tyler is always kind to his peers and teachers. From participating on the wrestling team, to service hours, to seeking help when he needs it, and then offering his help in return, Tyler very much deserves this nomination for student of the month.

Sophomore Girl Christina Pansino**Nominated by Ms. Calandriello**

Christina is not only an excellent student, but also an individual whose kindness, reliability, and enthusiasm are readily apparent to both her peers and teachers. She has been a member of the Mock Trial Team for two years winning an outstanding witness award last year and continuing to excel in her role as a witness this year. Christina is always trying to learn for the joy of learning. This summer she has applied to Elmhurst College's Summer Academy in Math and Science. It is with great pleasure that I nominate Christina Pansino for Student of the Month.

Sophomore Boy Christopher Florczyk**Nominated by Ms. Hayes**

Chris seems to always be one of the happiest students in the building. He always makes it a point to say hi when he comes into my room and seems to always have a smile on his face. He's also always ready to share the latest Guerin sports stories (or sports story in general) that he has. Chris is involved in the Guerin community through his participation in sports, and seems to be truly enjoying his time at Guerin. For these reasons, I think Chris is a great nominee for student of the month!

Junior Girl Nicole Lesniak**Nominated by Ms. Hayes**

Not only is Nicole a consistently great student, she is also one of those people who is always willing to help others. On many occasions I have seen her go out of her way to help her peers, as well as her teachers, and her school by getting involved in clubs, school activities and Nolan Scholars. Nicole is definitely a wonderful nominee for the March student of the month.

Junior Boy Cade Mack**Nominated by Ms. Lombardo**

Cade is a student who goes above and beyond in all academic responsibilities. I was pleasantly surprised to learn more about an immigrant group in our History of Chicago class, Cade actually went to the Swedish American Museum in the city. Cade is a well-rounded individual with a wide variety of interests including politics, history, and even break-dancing. Because of his passion to go above and beyond all duties as a student, I believe his hard work should not go unnoticed. He is a quality student of the month candidate who I could not say enough good things about.

Senior Girl Jazmin Buenrostro**Nominated by Mrs. King**

I would like to nominate Jazmin for all of her hard work. I asked her to help on McTeacher Night and before I could finish asking the question she said yes. She wore the pie costume all night and never complained and I know her arms had to be killing her. She also has been our Gator on many occasions. This is the true character of a Guerin student. I am so proud of you Jazmin, and thank you so much.

Senior Boy Marc Morquecho**Nominated by Mrs. King**

It seems like every time I need help Marc is there to help me. He is courteous and always smiling. Marc is the type of student who can brighten your day. He is always thoughtful of those around him. Marc is a great candidate for Student of the Month.
