GUERIN PREP NATIONAL HONOR SOCIETY SPONSORS BLOOD DRIVE

The National Honor Society (NHS) students at Guerin College Preparatory High School, River Grove, are out to save lives again this year when they sponsor their annual Blood Drive Friday, Feb. 22 from 8 a.m. to 2:30 p.m.

Working in conjunction with LIFESOURCE BLOOD SERVICES, NHS sponsors the drive as part of the honor society's goal of providing service for the community. Ms. Rita Kenning, college counselor, and Ms. Julie Zawilinski, science teacher, serve as moderators for NHS.

Students 16 and older have been invited to donate as well as faculty and staff. According to Ms. Kenning, walk-ins are also welcome.

Every time a person donates a unit of blood, he or she helps save the lives of three other people. Guerin Prep has been able to save the lives of more than 200 people each year through the annual blood drive.

LIFESOURCE encourages people to eat before coming, and a snack is offered to participants after they donate to help bring sugar levels back up and to refill the body's fluids. The whole process should take less than an hour.
