

THERESE MARIE CUNY COMMUNICATION ARTS SCHOLARSHIP AWARD

The Therese Marie Cuny Communication Arts Scholarship Fund is awarded in memory of the first drama teacher at Mother Theodore Guerin High School. Miss Cuny devoted her life to the education of young women in Catholic schools. She touched the lives of thousands of girls and inspired many to reach personal goals they never dreamed possible. Her tireless work ethic and dedication to excellence inspired the same in her students. By example, she taught that genuine style and poise are timeless. Regardless of the various paths her students traveled after leaving Guerin, they were prepared to take their place in the world as confident and articulate women.

Preparing for Leadership in the 21st Century

When the first graduating classes of Mother Guerin entered the workforce in the late 1960s, new and exciting opportunities were beginning to become available to women. For the first time women were attending college in record numbers. Career opportunities were becoming available in areas traditionally open only to men. These early “pioneers” paved the way for today’s graduates to participate at all levels of corporate, governmental and social service work. However, to be fully competitive in any of these areas women must develop their communication skills. This scholarship is intended to inspire the development of those communication skills in Guerin Prep graduates today. Leaders are often defined by their ability to successfully communicate their ideas to others. Regardless of the path you choose after leaving Guerin Prep, you will find it very important to be able to communicate your message in an effective manner.

The fund provides for two scholarships. One scholarship is equal to the cost of a year’s tuition. The second is a \$1,000 scholarship.
