

THERESE MARIE CUNY COMMUNICATION ARTS SCHOLARSHIP AWARD

The Therese Marie Cuny Communication Arts Scholarship Award is given in memory of the first drama teacher at Mother Theodore Guerin High School, one of Guerin Prep's foundation schools. Miss Cuny devoted her life to the education of young women in Catholic schools. She touched the lives of thousands of girls and inspired many to reach personal goals they never dreamed possible. Her tireless work ethic and dedication to excellence inspired the same in her students. By example, she taught that genuine style and poise is timeless. Regardless of the various paths her students traveled after leaving Guerin, they were prepared to take their place in the world as confident and articulate women.

Preparing for Leadership in the 21st Century

When the first graduating classes of Mother Guerin High School entered the workforce in the late 1960's, new and exciting opportunities were beginning to become available to woman. For the first time women were attending college in record numbers. Career opportunities were becoming available in areas traditionally open only to men. These early "pioneers" paved the way for today's graduates to participate at all levels of corporate, governmental and social service work. However, to be fully competitive in any of these areas women must develop their communication skills. This scholarship is intended to inspire the development of those communication skills in Guerin graduates. Leaders are often defined by their ability to successfully communicate their ideas to others. Regardless of the path you choose after leaving Guerin Prep, you will find it very important to you to be able to communicate your message in an effective manner.
