

# GUERIN PREP SUMMER SOFTBALL

For the past several years Guerin Prep has participated in a summer softball league that has been in existence for over 25 years. Other participating schools have included Morton, Riverside Brookfield, Willowbrook, Addison Trail, York, Fenton, Elmwood Park, Trinity, Immaculate Conception and Proviso East. Each school provides one team of incoming freshmen, sophomores, juniors and seniors. No graduating seniors participate. The purpose of this league is to allow underclass players to play under the direction of the school's coaches in a non-pressure, minimal travel environment which will help them develop their skills and allow the coaching staffs to get to know all the players in their program better. Fourteen of the current varsity players began their careers by participating in this program and five of them played on the varsity during their freshman season.

Games are played on Mondays and Wednesdays starting after the IHSA playoffs end in early June. All game dates are scheduled doubleheaders with the first game starting at 5pm. No new inning starts after 6:25. Guerin's home games have been played on the Varsity Field on campus. The summer league season ends the last week in July. Although schools are free to play any student, Guerin Prep uses its roster to help in the development of incoming freshmen and help returning players learn new positions or improve their other skills. In the past, Guerin players have paid a fee of \$100 to cover transportation, uniforms and other costs. If a player can play part of the season but may miss part because of other circumstances (travel team schedules, vacations, summer jobs, etc.) she is still encouraged to play.

No final decisions have been made for the 2010 summer season, but if you are interested or have questions about participating, you should complete the bottom of this form and leave it with me, or contact me at [tstein@guerinprep.org](mailto:tstein@guerinprep.org) or (708)453-6233 extension 4772.
