www.guerinprep.org

**Freshman
Experience**
part of the
Sullivan Program

Summer School Regulations

1. Students will wear a specific Guerin Prep T-shirt and shorts or pants. Each student will receive two T-shirts on the first day of class.
2. Because of the intensity and the short duration of this program, NO absences or tardies are permitted.

Public Bus Transportation

CTA Bus Passes will be available for purchase at Guerin Prep. Please bring a one-inch square photo for the pass. Cost is approximately \$2.

FROM THE NORTH: Take Cumberland (#331) bus south to Belmont Ave., walk two blocks east on Belmont. As an alternative, take Harlem (#307) bus south to Belmont Ave., transfer to Belmont (#77) bus west to 80th Ave.

FROM THE SOUTH: Take Cumberland (#331) bus north to Belmont Ave., walk two blocks east on Belmont. As an alternative, take Harlem (#307) bus north to Belmont Ave., transfer to Belmont (#77) bus west to 80th Ave.

FROM THE EAST: Take Belmont (#77) bus west to 80th Ave.

FRESHMAN EXPERIENCE

part of the Sullivan Program

Recognizing the need to support academically challenged students with a more structured program, Guerin College Prep High School offers The Sullivan Program. The student is required to complete the Freshman Experience during the summer prior to his/her freshman year and is then admitted into the Sullivan Program if needed.

The summer courses offered in this program are designed and taught by members of the Guerin Prep faculty and are intended to strengthen students' academic skills and prepare them for success in high school.

Participation is by invitation only and is mandatory for students with conditional acceptance.

The **LANGUAGE ARTS PROGRAM** is designed for those students who scored below grade level on the entrance exam and will be taking Freshman English in the fall. This course will introduce and reinforce basic writing, reading and language arts skills.

The **MATH PROGRAM** is designed for those students who scored below grade level on the entrance exam and will be taking Pre-Algebra in the fall. This course will consist of a review of basic computational skills, including the addition, subtraction, multiplication and division of whole numbers, fractions and decimals.

Classes meet:
Monday through Thursday
July 6 through July 23, 2009

Session One: 8 am to 9 am
Session Two: 9:10 am to 10:10 am
Schedules will be assigned after registering.

Tuition \$140 each program
